

UTeach Blended Learning Certification Program

UTeach Professional Development
WE PREPARE TEACHERS. THEY CHANGE THE WORLD.

New in Fall 2025!

The **UTeach PD Blended Learning Certification Program** recognizes and rewards K–12 educators who commit to developing their blended learning skills by advancing through a series of courses.

We offer a comprehensive range of courses to equip you with the skills necessary for effective blended learning implementation. Each course is crafted to provide you with practical, research-based strategies that can be immediately applied in your classroom.

PROGRAM BENEFITS

Digital Badge and Certificate: With each level, earn a special digital badge and certificate.

UTeach PD Swag: Receive exclusive UTeach PD swag, like t-shirts, stickers, phone stands, and water bottles.

Public Recognition: Be recognized and celebrated for your achievements on the UTeach PD website and across social media.

Special Project Invitations: Engage in unique projects with UTeach PD, including conference presentations and new course development.
