

UTeach Professional Development

BY THE NUMBERS | SPRING 2024

UTeach Professional Development offers opportunities for comprehensive blended learning implementation support with award-winning facilitators and strategies to support your teachers.

We provide high-quality, STEM-focused professional learning experiences to in-service teachers across Texas and beyond. Our courses, created and facilitated by UTeach Master Teachers, cater to educators across grade levels and disciplines.

We offer self-paced blended learning courses and instructional coaching and implementation support, as well as courses for K–8 science, Algebra 1, Artificial Intelligence, and Data-Driven Instruction.

“UTeach Blended Learning PD boosts teacher retention and technology engagement.”

— Texas Education Research Center
June 2024

TEA REIMBURSEMENTS

The Texas Education Agency reimburses school districts for every teacher who completes a UTeach PD blended learning course.

Since 2018, TEA has reimbursed **\$4.6 million** to Texas districts.

Teachers from **all grade levels, content areas, and specializations** take UTeach PD Blended Learning courses.

PARTICIPANT SCHOOL LEVELS	PERCENT
Elementary (PK-5)	44%
Middle (6-8)	23%
High (9-12)	24%
Central office	9%

*Participants in multi-grade schools count once per level.

SPECIALIZATIONS
Career and Technology Education
Gifted and Talented
Bilingual
Special Education
English as a Second Language

100% of district-level contacts surveyed agree: “The curriculum in the UTeach PD courses is both **useful and relevant** to student learning.”

4,251 participants | **132** district partners

My students' scores have improved greatly. They have been able to meet goals and show great progress.

I have had great feedback from my administrators during walkthroughs.
