

Advanced Blended Learning Coaching and Collaboration

These sessions are designed to support leaders and instructional coaches who are advocating for blended learning at their campus and district. Sessions are conducted through five monthly interactive Zoom sessions.

A problem of practice will be addressed in each session, with participants establishing their own goals while collaborating with other blended learning leaders.

FORMAT

Five monthly synchronous virtual Zoom sessions

Up to 90 minutes, scheduled during the school day

COST

\$300 per educator

Session fees qualify for reimbursement by the Texas Education Agency upon completion. Group discounts available.

OBJECTIVES

- Implementation and support of best blended learning practices
- Integration of effective technology to achieve student-centered outcomes
- Observation and feedback of blended learning classrooms
- Collaborating with district leaders statewide
