

Foundations of Blended Learning

Foundations of Blended Learning is designed as an introductory course. Participants research best practices to model in their classrooms. Through a series of job-embedded activities, participants increase their knowledge of blended learning to create a more personalized learning experience for their students.

DETAILS

30 CPE credits

Length: 12 weeks

Format: Asynchronous with opportunities for virtual collaboration

COST

\$1,200 per participant

Course fees qualify for reimbursement by the Texas Education Agency upon completion. Group discounts available.

COURSE MODULES

- Blended Learning: Where Do I Start?
- Personalized Learning in the Blended Classroom
- Tools and Strategies for Managing a Blended Learning Environment
- Blended Learning Reflections

SUPPORT ELEMENTS

- Access to a success coach to monitor progress and answer questions
- Personalized and prompt feedback on all work products
- Online collaboration with highly skilled blended learning facilitators
